

## FOXTON RECREATION GROUND TRUST (RGT) AND FOXTON PARISH COUNCIL

### Allocation of Facilities And Change Management Of The Recreation Ground

1. **Charitable Purpose of The Recreation Ground Trust:** The provision and maintenance of a recreation ground for the benefit of the inhabitants of the area of benefit without distinction of political, religious or other opinions with the object of improving the conditions of life for the said inhabitants.
2. *For clarity –RGT owns the recreation ground land up to a line drawn from the Bowls Club fence across the recreation ground to Illingworth Way. RGT also owns the sports compound, the allotment site, the skate park, the pre-school garden, Hardman Road (plus parking bays) from the speed hump to the school-owned part of the car park plus the Village Hall including the main hall. All the rest of the recreation ground is owned by Foxton Parish Council plus the car park at the church and the portion of grass from the St Laurence Road entrance to the carriageway.*
3. *In practice this means the cricket square and boundary (all but a small portion) comes under RGT while the adult football pitch mainly comes under the Parish Council with a small portion inside RGT land.*
- 4 **How The RGT Discharges Its Charitable Status Obligation:** The RGT provides, maintains and improves the recreation ground so that the villagers of Foxton may enjoy equal access to and benefit from the recreation ground.

The RGT does this by providing both open access and by allocating reserved space for user organisations (eg the tennis club) to provide additional facilities (ie. the tennis courts). The user organisations maintain these facilities through a membership fee. Membership of the user organisations is open to all villagers.

The RGT holds the recreation ground in trust and as such are accountable to the villagers and the Charity Commission. As “owners” of the recreation ground the RGT control access to and the use of the recreation ground. The use of the recreation ground and the occupancy of the reserved spaces is subject to the agreement of the RGT.

Foxton Parish Council, as a body, is the sole trustee of RGT and as such all parish councillors are trustees for the duration of their time on the Parish Council.

- 5 **Purpose of This Document:** This document sets out how the RGT has allocated the recreation ground to the user organisations within the village so that there is a reference point of allocations as at the 1<sup>st</sup> January 2021.
